Explanatory Notes:

1. The Basic Allowance has to be paid to every Councillor and at the same level for each elected Councillor. It recognises that expenses incurred in being a Councillor for Ward work and domestic costs. Special Responsibility Allowances are paid to recognise the additional roles some Councillors perform beyond the role of a local Councillor.
2. Taunton Deane Borough Council is made up of 56 Councillors but allowances have been paid to more than 56 people in the last financial year due to by-elections.
3. The travel allowances shown above are the amounts reclaimed for car mileage or public transport fares.
4. When a number of Councillors travel to the same event and share the use of a car, only the driver can claim a mileage allowance.
5. The Subsistence Allowances shown above are the amounts reclaimed for postage, meals and hotel accommodation whilst on official business. They do not include hotel costs paid directly by the Council.
